Presentation

Presentation by André Butz, IUP Heidelberg

Discussions and Questions

- Now it's your turn: Time for questions and discussions. The notes will be included in the minutes of this teleconference.

Next telecon

- Next telecon will be at around mid of January 2022.

- You will be invited by an extra Email.

- Lena Feld (PhD stundent at KIT) and I developed a python wrapper for Proffast (PrfPylot)
→ We will present it

- If you have any questions regarding Proffast in advance, email me and we can add this to the presentation.
